3 Circles Life Conversation Guide

This guide explains the Gospel by explaining the human condition and God's plan to offer salvation and restoration to every person that results in a relationship with Him.

God's Design: God originally designed and planned a beautiful, perfect world. He created man and woman to worship Him and walk with Him. // Psalm 19:1, Genesis 1:31

Sin: Man did not follow God's design. The first man and woman disobeyed God allowing sin to enter the world. Sin is when we disobey God and don't follow His original design for our lives. Sin results in eternal separation from God. // Genesis 3:1-7, Romans 3:23

Brokenness: Sin leads to brokenness. When we realize we are broken, we begin to look for ways to fix ourselves. There is only one person who can fix us. // Proverbs 14:12

Gospel: Because of God's love for us, he does not leave us in our brokenness. Jesus came, lived a perfect life, and died so that we could be restored to God. // 2 Corinthians 5:21, John 3:16, Colossians 2:14, 1 Corinthians 15:3-4

Repent and Believe: We must believe that Jesus is God's son, admit that we are broken sinners, and repent, or turn away from our sins. Believing in Jesus gives new life. // Mark 1:15, Romans 10:9

Recover and Pursue: Once we repent and believe, we begin to see the original purpose God designed for our lives and can pursue that purpose through the Holy Spirit. // Philippians 2:13, Ephesians 2:10

What Next? Now that you have heard this good news, you can respond to Jesus by admitting you are a broken sinner in need of forgiveness. You can ask Him to be Lord of your life, which means that you want to follow Him for the rest of your life.
